occurs...

East Bay Mystery Goo

January 2015

A white egret stands in a shallow, greenish-brown marshy area. The bird is facing right, with its long neck curved slightly forward. Its feathers are bright white, contrasting with the dark, wet ground and the tall, green and brown grasses in the background. The lighting is bright, suggesting a sunny day. The text "It all comes down to the care of the individual bird" is overlaid in blue at the bottom of the image.
